Translucent Tiles

READY-TO-MIX CONVENIENCE
Pre-blended formula ensures consistency, saves time, and simplifies application.

ENHANCES TILE WHITENESS
Specialized formula maintains the natural brightness and look of white tiles and marbles.

SUPERIOR SLIP RESISTANCE
High slip resistance prevents tile slippage and ensures a secure and safe installation.

LOW WATER ABSORPTION
Reduces water absorption, preventing efflorescence and enhancing durability.

3. PRODUCT DETAILS

DESCRIPTION:

Bondfix Tile Adhesive is a premium, ready-to-mix adhesive formulated for strong and lasting tile installations.

It delivers excellent bonding strength, minimizes shrinkage cracks, and prevents water absorption—ensuring a durable, aesthetic, and slip-resistant finish.

Ideal for white tiles, marble, natural stone, and translucent tiles on both interior and exterior surfaces.

TECHNICAL SPECIFICATIONS:	
PARAMETER	DETAILS
Finish	Maintains natural look of white tiles and marbles
Application	Interior surfaces; Exterior surfaces; Fixing white tiles; Fixing marbles; Fixing natural stones; Fixing translucent tiles
Base	Cement based with premium additives
Pot Life	Approx. 2 - 3 hours
Open Time	Approx. 20 - 30 minutes
Adjustability	Approx. 20 minutes
Drying Time	Trafficable in 24 hours
Pack Sizes	1 Kg • 2 Kg • 5 Kg • 10 Kg
Coverage	Approx. 3 - 5 kg/m² depending on tile size, surface and application method

4. APPLICATION METHOD

1

PREPARE SURFACE

- Ensure the substrate is clean, dry, and free from dust, oil or loose debris.
- Remove any weak or loose material before application.

2

MIX AND APPLY

- Combine the ready-to-mix formula thoroughly and apply evenly to the surface using a notched trowel.

3

SET AND CURE

- Place the tiles firmly into the adhesive bed, ensuring they are trafficable after 24 hours.
- Allow 24 hours for full drying under normal conditions.

5. SAFETY FEATURES & PRECAUTIONS

Kindly refer to the MSDS for Bondfix Tile Adhesive for detailed information about safety measures while handling the material.

Store the container with the lid tightly closed, in an upright position, in a cool, dry place.

Keep out of reach of children and away from eatables.

May be harmful if swallowed. In case of ingestion seek immediate medical attention.

Wear eye protection during application. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

Do not pour leftover material down the drain or in water courses.

In the event of spills, contain spillage using sand or earth.

No added lead, Mercury or Chromium compatible.

6. STORAGE PRECAUTIONS

Store in a cool and dry place at ambient temperatures.

RECOMMENDED FOR

- Residential buildings
- Commercial complexes
- Renovation projects
- New construction

HOW TO USE

- Clean the surface and remove dust and loose particles.
- Mix Bondfix Tile Adhesive as per requirement.
- Apply evenly using notched trowel.
- Place tiles and press firmly.
