4. APPLICATION METHOD

PREPARE SURFACE
Ensure the surface is clean, dry, and free from loose particles, dust, or contaminants.

APPLY SHIELDTEX
Apply the textured coating uniformly using the appropriate tools to achieve your desired pattern.

TOPCOAT FINISH
Allow the texture to cure before applying your chosen topcoat shade for a personalized aesthetic.

5. SAFETY FEATURES & PRECAUTIONS

- 

Kindly refer to the MEDS for Waterproof Primer which gives detailed information about safety measures while handling the material.
- 

Store the container with the lid tightly closed in an upright position, in a cool, dry place.
- 

Keep out of reach of children and away from eatables.
- 

May be harmful if swallowed. In case of ingestion seek immediate medical attention. Wear eye protection during application. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
- 
- 

Do not pour leftover material down the drain or in water courses.
- 

In the event of spills, contain spillage using sand or earth.
- 

No added lead, Mercury or Chromium compatible.

6. STORAGE PRECAUTIONS

Store in a cool and dry place at ambient temperatures.
